Dear Chum, Buddy,

Well we have lasted almost a year in N. M. M. White's class. I hope we have no more like her.

We have had a lot of fun since last year. I remember all the fun we had that one week last summer when we spent almost a week at each other's house. Then that weekend we went down to Windemere. Those boat rides were a lot of fun. Remember the time we went bowling and you dropped the ball behind you. We sure had fun thinking up that letter to put in "you know who's" Christmas present. Then when Ernie came along and we played with him. That was the nicest present I got. I wanted him so much and I thought I wouldn't get him. I remember the fun I had cleaning out your cabinets. I enjoyed going through all those cans and jars until we came across those dead bugs. I also enjoyed learning how to cook at your house although sometimes I thought you were going to throw me out because I ask so many questions. Sometimes I think I do more work at your house than you do (H.A.). Remember that night when we stayed alone during that snow storm. We thought someone was going to get us. I know our parents remember all those nights when we tied up the phones. But we had so much to say we couldn't hang up. Remember the night when we cooked the birthday supper for our mothers. The muffins weren't quite ready when supper was over. I also remember when we would get ready to go to bed you would get in a silly mood and we would cackle until our fathers

Came in and made us be quiet. That made us giggle just a little bit more. Remember when we sang "Mountain Dew" at church. We really hammed it up. I think they were ready to throw us out when we just kept singing. I think some of the teachers up at this jail think we are crazy when they see us in the hall after school cutting up.

TO THE 1959 SPECTATOR

LIBERTY HIGH SCHOOL

LIBERTY, MISSOURI

Remember all the fun we had discussing Mr. Moore. I think you would crack up if he was our teacher next year. Then, there is typing. I hope you have had some information.

We have had fun in church in Danbeans. Especially with Robin. I suppose we will be stuck there for years to come. I remember that night when your father was in Paris. I made the pig and desert and you were trying to get a permanent. There I sat, calmly eating while Alice was screaming because she had cut her finger, your mother was talking on the telephone to your father, and you were so mired up you just kept walking around like you were lost. Remember when we went Christmas shopping and you bought all those pans for your mother and then decided not to give them to her. We really should have sold popcorn at Prayer Meeting.

Well, I guess I have said enough. Let's not ever let anything happen to our friendship. I already think of you as a sister. People say we look alike. I hope so.

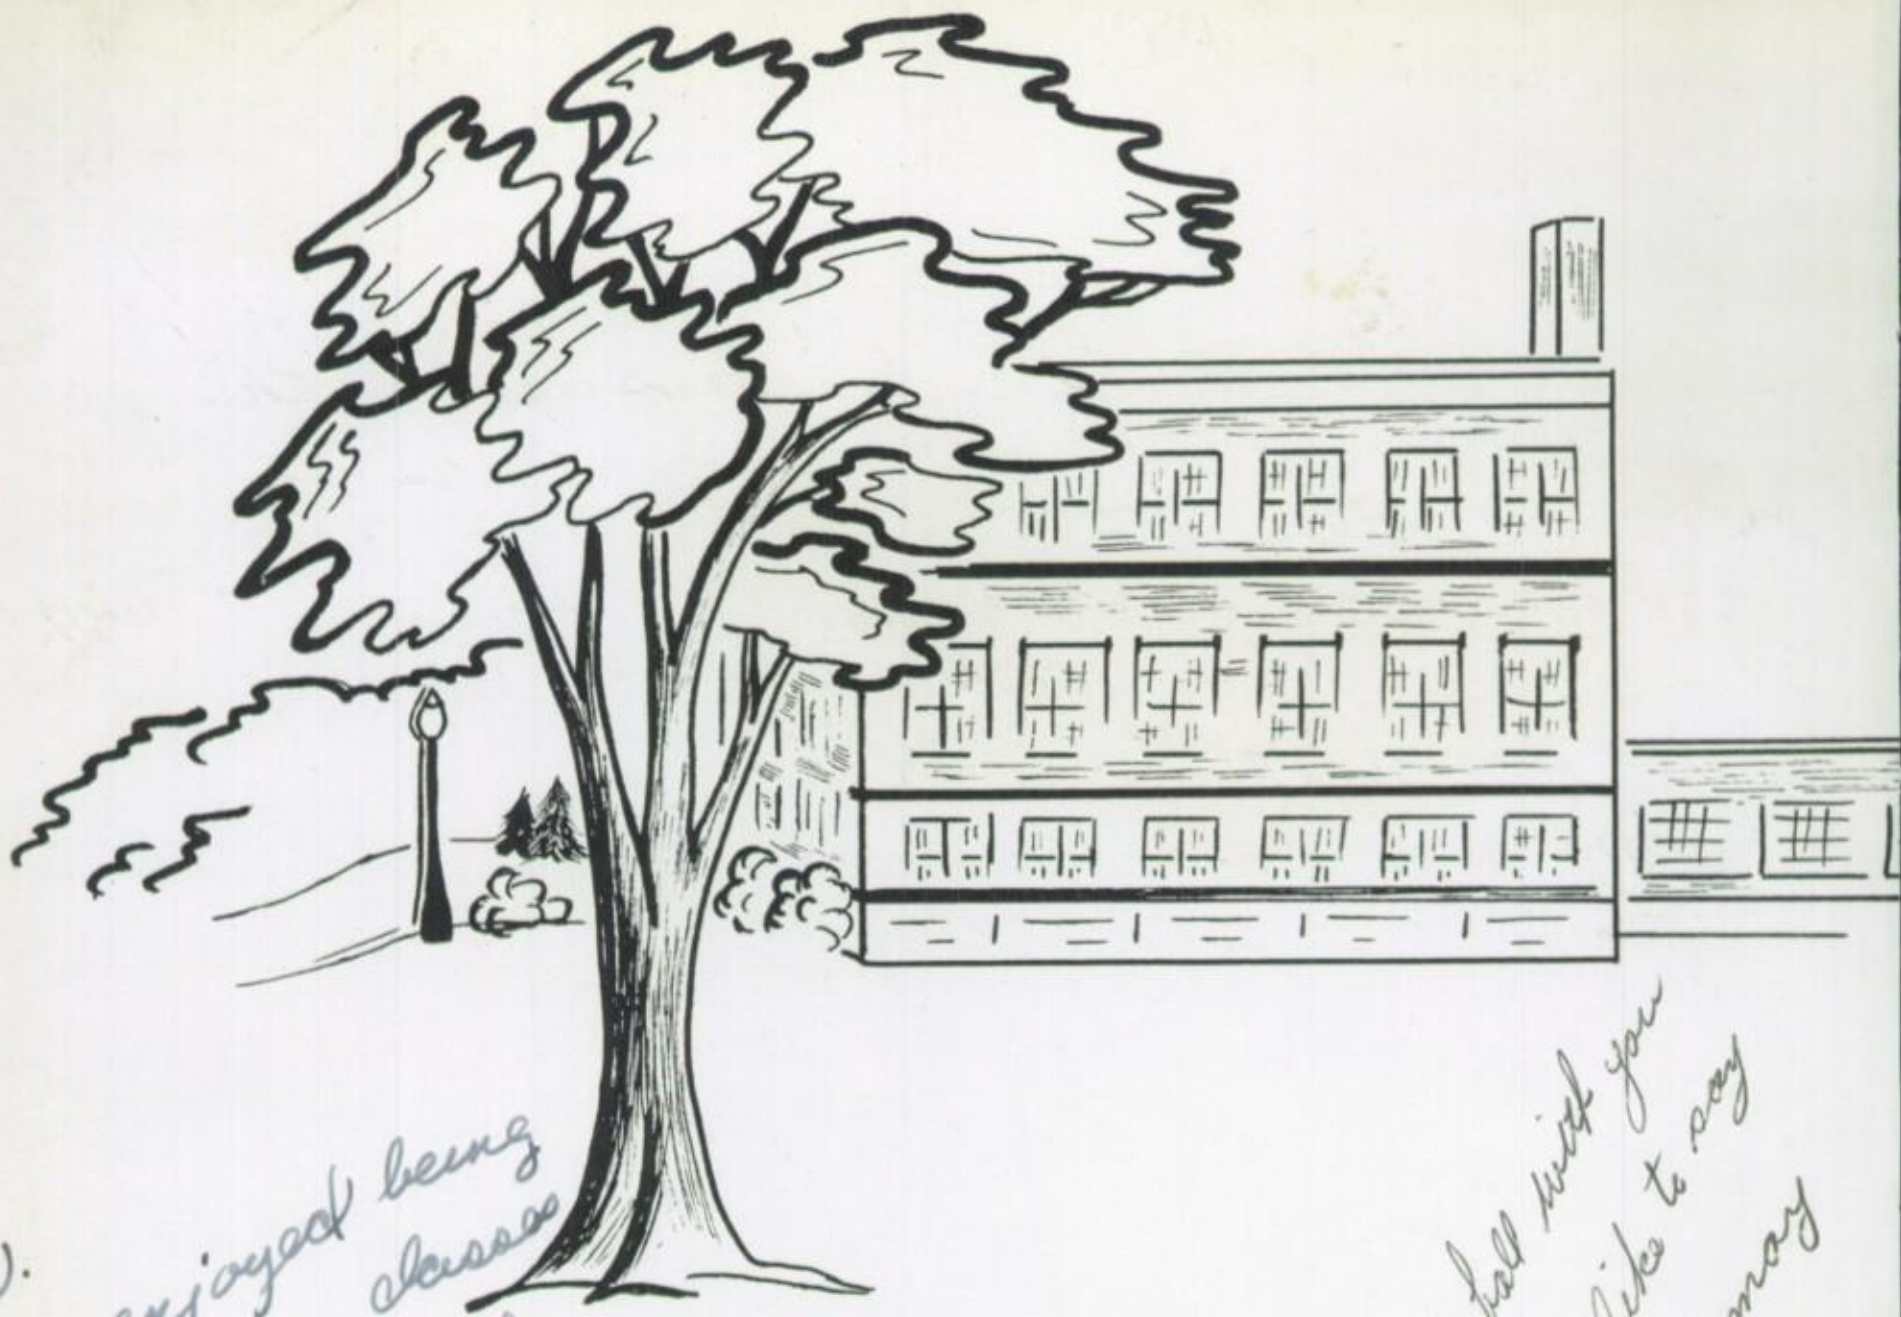

yo te amo, muy mucho.

Love forever,

Delores

Art Student Wins in Contest

Did you know that we have some very artistic students here at L.H.S? Well, to prove it, Chris Kerr and Nancy Behrendson placed third in a mural painting contest at Antioch, December 6. Students from North Kansas City, Parkhill, and Liberty participated in this contest. Each couple painted a Christmas scene on poster boards 4 ft. by 6 ft.

It's hard to say whether more time was spent actually painting or running in and out of the stores trying to keep warm! Liberty was well represented by the following:

FOOTBALL WRITE-UP

August 18th found 11 returning lettermen and many other boys reporting for the first practice sessions of the 1958 football season. Coach Miller had a letterman for every line position and three backfield positions. After an intra-squad scrimmage to show our team and new uniforms we were ready to encounter our first foe of the season.

Traveling to Park Hill, Liberty showed their offensive strength by defeating the Trojans 27-12. The Jays moved the ball consistently every time they had possession. Bernard Liverman was the sparkplug of the Bluejay

attack, scoring 4 touchdowns and 25 points.

Down by 19 points at halftime in our opening home and conference game against Lexington, the Jays battled back in a determined comeback only to lose a heartbreaking 13-19.

The following week Liberty was simply out-classed and outplayed by a strong North Kansas City squad in losing 32-0. After allowing a 26 point 1st half, a determined Bluejay defense held the Hornets scoreless until the final play of the game.

A highly rated Slater team invaded the Bluejay's home field and took home an 18-0 victory. The Jays rushed 228 yards to Slater's 80 but our pass defense fell apart which allowed Slater all their scores.

Moving on to Richmond the Bluejays were the victims of a 4th quarter surge by the Spartans and were defeated in the last minutes by a margin of 19 to 13. The highlight of the evening was Tom Wiltshire's 66 yard touchdown gallop.

The most important game of the Bluejay's season was the 7-6 defeat handed to Excelsior Springs in our annual Homecoming game. The Bluejays played inspired football throughout the contest, and put up an outstanding defense that the Tigers couldn't penetrate. Bill Van Note supplied our touchdown and Jim Hurt kicked the winning point. The victory enabled Liberty to once again regain the dueling pistols.

Following our Homecoming, the Bluejays tangled with undefeated Higginsville. After a slow start Higginsville turned the game into a track meet with Liberty taking mostly seconds. The Cornhuskers 37-0 win proved to everyone that they were worthy of the conference championship.

Playing in Marshall's wet Homecoming game, Liberty gave the Owls a tough game even though losing by a lopsided 27-7 margin. Tom Wiltshire accounted for our lone tally on a 35 yard end sweep.

A fired-up Carrollton squad, in their Homecoming game, squeezed by the Bluejays for a 13-6 victory in our final M.R.V.C. game. Liberty scored the first time they got the ball but couldn't hit paydirt again. Fumbles were costly for the Jays as 2 set up both Trojan scores.

In the final game of the season, Liberty was defeated 19-7 on William Chrisman's rain-soaked field. After a 7-7 halftime score, Chrisman came back to tally twice more as a result of Liberty's fumbles.

The Jays finished with a 2-8 seasonal record and a 1-6 record in the conference, tying them for last place.

Being a member of the "L" Club is a distinct honor, which gives boys athletic recognition. They must have participated in 10 quarters or a full game of play in football, 12 quarters of basketball or a total of 12 points in track.

Occasionally a boy receives a letter because of hard work and outstanding sportsmanship; even though he hasn't played a sufficient number of quarters. This year among their activities they held a dinner for the football players and their fathers, sponsored several dances after football and basketball games, and acted as hosts at the annual "L" Club dance.

"M" CLUB

During the last few years at L.H.S. girls' sports have grown; mainly by the formation of teams in the gym classes and by the organization of the "M" Club.

"M" Club was formed three years ago for girls who show skill in various fields of sports.

Besides weekly meetings and practices the girls have participated in play-days at Lexington, North Kansas City, William Jewell and Warrensburg. In these play-days it is sometimes required that the club present skits, and Liberty has taken first place with every skit.

"M" Club also plays the "All Stars" in basketball, volleyball, and soft ball. The "All Star" team is made up of the outstanding girl athletes in the gym classes.

BASKETBALL REVIEW

With the return of three starters from last year's 14-10 team, Fred Cathy, Larry Driggers, and Gary Jones, the prospects were very bright for a successful season.

Opening up the season in the annual M.R.V.C. Tournament at Richmond, the Jays slipped by Lexington and Slater for the right to play in the finals against a strong Marshall squad. Trailing by 13 points at halftime, the Bluejays put on a spectacular comeback to defeat the Owls 57-51 and bring home the championship trophy.

In our first regularly scheduled contest, a non-conference game at St. Joseph, the Jays were handed their first defeat of the season by Central 53-51.

Beginning the conference campaign, Liberty set back five consecutive opponents, including Carrollton 44-41 in our annual Courtwarming game, before being turned back by Marshall 51-48 in an overtime game at Liberty.

After routing Lexington, Liberty played host to powerful Raytown. The Bluejays, running their first zone defense in 16 years under Coach Kenneth Cokely, upset favored Raytown by the score of 42-36.

Continuing in M.R.V.C. play, the Jays took decisive victories over Higginsville, Richmond, and Carrollton. Traveling to Slater, the Jays were upset by an unstoppable Wildcat five for their worst defeat of the season.

Next the Jays were faced with their most important game of the season, played at Marshall. A win would mean a share in the conference crown for Liberty. In a nip and tuck battle, the Owls squeezed out a 1 point victory to gain their third consecutive M.R.V.C. championship.

The following week, Liberty played in its final M.R.V.C. game against Excelsior Springs, winning 50-32 to sew up a second place tie with Slater.

Moving on to the Regional Tournament at Independence, Liberty opened up by defeating Manual, 60-44. Our semi-final game with Van Horn ended in a 6 point victory for the Falcons. (Van Horn went on to cop the title.) The Jays played their final game of the season against a larger Northtown squad. Trailing 10 points at halftime, the Bluejays showed their determination and ability to come-back by winning the game 48-47 and the 3rd. place cup to climax a successful 17-5 seasonal record.

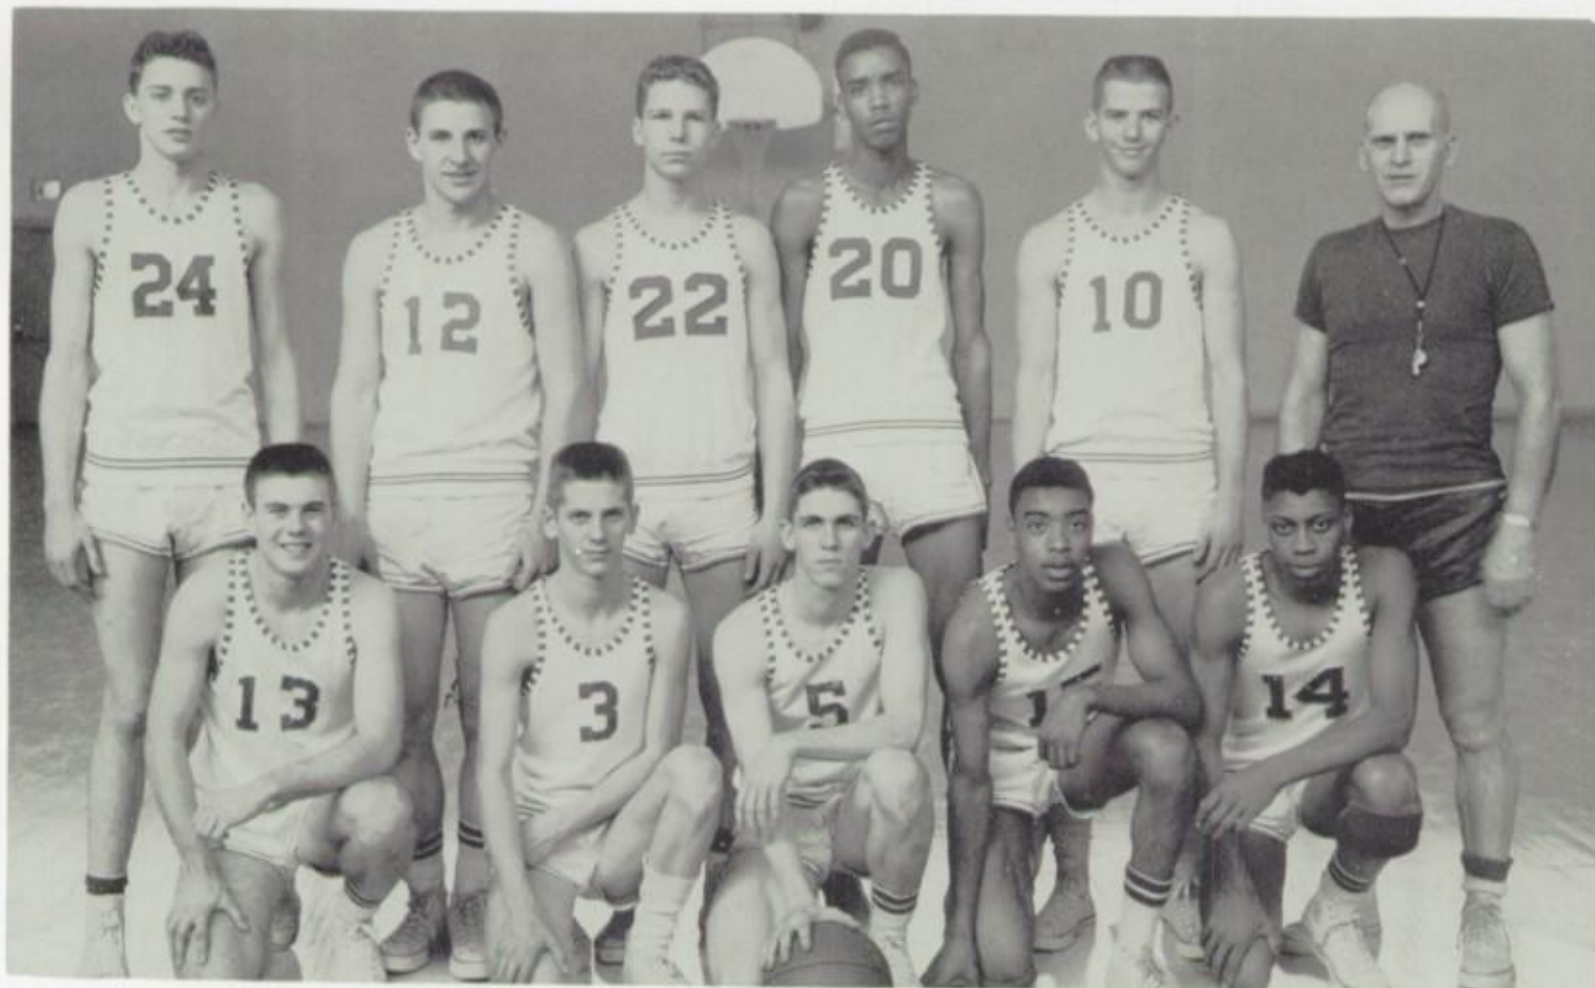

Our B-Team also had an outstanding season compiling a 12-4 record and finishing in a tie with Excelsior Springs for the B-Team championship.

Prior to the Regional Tournament the team selected Fred Cathy, Larry Driggers, and Gary Jones as honorary tri-captains for the year.

A FANFARE TO OUR ADVERTISERS

Support our team of businessmen

The Liberty business section is a vital part of our lives. Many of our students are now employed part time in downtown stores. This directs their own buying, as well as the buying of their families, to the Liberty merchants. Both now and in the future, when our buying power has increased, we shall remember and return the help given to us by our business friends.

We appreciate the interest shown by the local business firms mentioned, and we hope that this book gives a clearer understanding of our school and its activities.
